It was pointed out to him that there appeared to be no reasonable hope that he would face his jury until after Christmas, and probably not until after New Year's. Assistant District-Attorney Garvan, to whom was intrusted the work of ar-ranging the case of the State, has not ranging the case of the stack yet. Mr. mearly completed his task yet. Mr. Garvan is hard at work, but he took an extensive trip through the South with his chief during the summer and afterward went on his vacation, so that he lost a good deal of time. It is not probable that Mr. Garvan will be prepared to undertake to lay the case of the prosecution before Mr. Jerome for several weeks yet.

No Decision by Goff Yet, Moreover, there has, as yet, been no gual ruling by Recorder Goff in the matter of the writ of prohibition temporarily granted on motion of Thaw's counsel against further inquiry into the murder by the District-Attorney and the Grand Jury through the medium of John Doe' proceedings. Until this matter is disposed of Mr. Jerome is restrained from pushing the investigation which so he has said, may result in the indictment of a second person as an accessory to the murder.

Because of these things, knowing that the other side was not ready or near ready. Thaw's counsel have taken their time about selecting a trial lawyer for him. The battery for the defense is not apt to be finally decided on until some time next month. final ruling by Recorder Goff in the

CONSTIPATED

Means misery on the eve of life. Nine out of ten old people are constipated because the muscles of their intestines have become weak, worn out and flabby. Constipation is the curse of old age, causes bile and acid poisons to remain in the blood, making the skin yellow and wrinkled, the eyes bleary and causing the "bones to ache." Keep the bowels strong, healthy and regular and old age loses all its terrors and weaknesses. No reason why grandpa and grandma shouldn't have bright eyes, and clear, ruddy skin and feel lively and active, if they will only keep their bowels open and vigorous with CASCARETS CANDY CATHARTIC, the greatest bowel tonic ever heard of, Try them to-day-a 50c box-a whole month's treatment-and find that the tortures of constipated old age are
